Also, just for a brief update . . I will introduce our speakers, say a brief intro to set things up, then pass off to Cam, Ann, and Bob.

Thanks again

Good Morning Judy,

I wanted to send a quick note to follow up on the webinar today, we have not received dial in/login information. I also wanted to make sure you received the slides from Cam yesterday afternoon. I saw it was a big file, so wanted to make sure it came through to you.

I know things are busy with the meetings starting up, so if there is anything we can do on this end, don't hesitate to ask.

Best,
Sam
